

Haven Acres 12th Annual **Bowling for Bucks** October 24th, 2025 from 6-8pm

It's tough being a kid or teen these days. Suicide and self-injurious behaviors as well as substance abuse and mental health issues in that age group are at all-time highs. Haven Acres offers a safe, country environment where hurting youth find hope, healing, and restoration through their interaction with horses and loving mentors that exhibit the transformational love of Jesus. The design is to pair one child with one mentor and one horse that will work together on a weekly basis. A child between the ages of 9-17 will come out, **free of charge**, once a week for a 90-minute session. They will help do chores around the farm for the first half of the session and then work with the horse, grooming and learning basic horsemanship for the last half of their session. They will be given opportunities to build confidence, trust and a good work ethic which will help them as they deal with challenges they face now and in the future. **You** have an opportunity to partner with us in reaching out to the youth of our community. We are holding a fundraiser, **Bowling for Bucks**, in order to raise additional funds to help out with needs at the ranch. Each bowler will bowl 3 games on October 24, 2025. They will obtain sponsors that will pledge to support them in this cause.

Please indicate below how you would like to help. Donations can be cash, check, or made online at www.havenacresmn.org/donate or by using the QR code. **Please make checks payable to Haven Acres.** For more information about Haven Acres, please visit our website www.havenacresmn.org.
